The NAD⁺ Metabolism and Signaling Conference

Organizer Bio: W. Lee Kraus, PhD

Professor and Director, Green Center for Reproductive Biology Sciences, University of Texas Southwestern Medical Center, Dallas, USA

Dr. Kraus is a thought leader in the PARP field and an expert on the link between NAD⁺ metabolism and PARPs, especially as it pertains to cancer and hormone-regulated metabolic processes. He is a founder and consultant of Ribon Therapeutics, Inc., a biotherapeutics company working in the PARP/NAD⁺ space.

Dr. Kraus was co-organizer of the 2019 FASEB NAD⁺ Metabolism and Signaling Conference. He is also the founding organizer of the Cold Spring Harbor Laboratory PARPs and ADP-ribosylation Conference, serving as its organizer in 2014, 2016, 2018, and 2020.
