The Hematologic Malignancies Conference

Organizer Bio: Kathrin M. Bernt, MD

Assistant Professor, Pediatrics, University of Pennsylvania and Attending Physician, Leukemia and Lymphoma Program, Children's Hospital of Philadelphia, Pennsylvania, USA

Dr. Bernt is interested in molecular mechanism and targeted therapies in hematologic malignancies, with a particular focus on epigenetics and transcription. She is the current chair of the American Society of Hematology's Scientific Committee on Epigenetics and Genomics. She is also a member of the Children's Oncology Group (COG) Task Force on Infant Leukemia.
