#### **General Information for Making your Appointments:**

- a) **Appointments with sponsors and exhibitors:** To make appointments with sponsors and exhibitors, simply click on the appropriate link to see the corresponding list of companies.
- b) **Appointment with attendees:** You will have multiple options for locating conference attendees. First click on the link to search by Attendee:
  - i. **Search by attendee name:** Select the appropriate link to see a listing of all attendees that have opted in for the program. If you see a name on the attendee list but not on GlobalMatch, it indicates that the attendee has opted out of the program.

  - iii. **Search by demographic response:** You can narrow your search by selecting responses to the demographic questions that were asked of the attendees. Simply fill out your criteria and select Search at the bottom of the screen. All attendees who match your criteria will be shown.

**Additional Special Notes:**

- The Home page will show pending appointments, confirmed appointments, and new messages.
- Don't forget to exchange your onsite contact information such as a cell phone number or personal email address in case you need to make any changes to your appointments.
- Declining Appointment Requests - Once you decline an appointment, you will not longer be able to make an appointment with that attendee. Only decline if you wish to no longer correspond with that attendee. Otherwise, simply send a message to the attendee saying that you wish not to meet with them.
- We have set-up numerous designated meeting points within the hotel to facilitate the process. They are:
  - Meeting Point A – located at the entrance to the exhibit hall
  - Meeting Point B – located in the 700 Aisle in the exhibit hall
  - Meeting Point C – located next to registration desk in the Elizabeth Foyer
  - Network Central Lounge – located in the center of the exhibit hall
- It is important to remember the hours of the exhibit hall when setting up appointments within the hall. Attendees are not allowed to enter the exhibit hall during closed hours. Exhibit hall hours are:

  - Thursday, September 30: 10:15 am to 5:00 pm
