FROM OUR MEMBERS

## *From the President*

On the occasion of the Association's 50th "Golden Anniversary," I would like to extend my personal thanks and gratitude to the IAM membership for their engagement and long-lasting support of the organization.

50 years of growth and success is a testament to the IAM volunteer leadership, the member companies, and the individuals who over the years have worked so diligently to improve the quality, effectiveness, and image of our Industry.

Thank you for your support and I wish everyone another prosperous and rewarding 50 years!
