Dear Terry Head:

In response to your correspondence dated March 25th 2013, the Canada Border Services Agency (CBSA) - International Events and Convention Services Program (IECSP) officially recognizes the following event:

51st International Association of Movers Annual Meeting
October 7th – 10th, 2013
Vancouver Convention and Exhibition Centre
Vancouver, BC

Your request for Border-to-Show privileges has been granted. The CBSA will advise its ports of entry to allow your goods to move directly to the show site (once they have been reported to CBSA at the first port of entry) where officials will perform the necessary clearance procedures.

According to your letter, your event is closed to the general public and will feature up to 155 non-resident exhibitors who will be importing convention materials, motor vehicles and literature for display purposes only. It is noted that there will be no sales of merchandise at this event.

Non-Canadian exhibitors may import display items and exhibit booths temporarily under the provisions of tariff item **9993.00.00.00** so long as **the goods will be exported** at the end of the event.

Additionally, your event qualifies as a foreign event under classification **9830.00.00.00** and any imported conference materials (i.e., official paraphernalia, souvenirs, printed matter, pens, decorations, etc.) can enter Canada free of duty and taxes providing the items are exported at the end of the event. To enjoy this tax-free status on imported goods it is important that the event is not open to the general public.

Any foreign exhibitors importing goods into Canada should check with U.S. Customs prior to shipping your convention goods, as the requirement is any goods over \$2000. U.S. must be reported to U.S. Customs. They can document your goods on the form 4455 so they can identify the goods on your return to the U.S.

Nationals of other countries may engage in exhibiting, selling or displaying goods without a work permit from Citizenship & Immigration providing they are not selling to the general public. Direct sales to the public at large require a work permit. Exhibitors engaged in direct sales to the public, where goods are delivered at the time of sale, are considered to be entering the labor market and a work permit is required. Additional information on work permits is available on the CIC Web site at <http://www.cic.gc.ca/english/work/index.asp>.

CBSA requires everyone seeking admission into Canada to properly declare themselves to CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

If you will have attendees from visa requiring countries <http://www.cic.gc.ca/english/visit/apply-who.asp>, contact the Special Events Unit of Citizenship and Immigration Canada at special.events@cic.gc.ca with the specifics of your event. They will assess the visa requirements for your event.

To facilitate border procedures it is recommended that attendees be provided a copy of this letter for presentation to a CBSA Border Services Officer upon their arrival to Canada.

In conjunction with the presentation of this Recognition Letter, an itemized list of goods including a description, country of origin, quantity and value is required for presentation to CBSA. If your event materials will be imported by a commercial carrier or courier service, a copy of this letter should also be attached to any shipping documents.

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Doug Nowak
