Ci3/WinCATI

Instructor: Claude Comeau
Date and Time: Monday, June 22, 2015, 8:30 am to 10:30

Course Description: BRFSS related Ci3/WinCATI topics will be discussed. Several 2015 BRFSS Ci3 program options that can be adjusted by states will be reviewed. A few 2015 special BRFSS WinCATI setup options will be presented. A new report program “aQC.exe” that has detailed BRFSS WinCATI reports to help supervisors will be demonstrated. A quick status report on WinCATI 6.0 and the Sensus questionnaire authoring system will be presented. There will also be an open topic discussion. It is encouraged that WinCATI users either email their Ci3/WinCATI question ahead of time or bring them to the session.
