

CREATE FREE PERSONAL FINANCE TESTS

What is the Financial Education Evaluation Toolkit[®]?

- ➔ Free tests to use in personal finance classes
- ➔ Age-appropriate questions about money topics
- ➔ Answer keys and automatic scoring
- ➔ Ready-to-use test templates for NEFE's High School Financial Planning Program

<https://toolkit.nefe.org>

Why You Should Evaluate

- ➔ Identify whether your program is meeting desired outcomes.
- ➔ Discover program barriers, weaknesses, strengths and alternatives.
- ➔ Document outcomes of your financial education program to report back to funders and stakeholders.

Evaluation Toolkit is Simple and Easy to Use

- 1** Choose questions from the Question Bank or write your own.
- 2** Send electronic evaluations to participants or print hard copies.
- 3** Automatically score evaluations.
