REGISTRATION INSTRUCTIONS

This is a **Fill-in PDF form**. You can print it to complete it by hand or:

- Fill in the form and print it to mail with a check or credit card number to the address on the front.
- Fill in the form and print it to FAX with a credit card number. FAX: 410-559-2217.
- Fill in the form and email it with a credit card number (signature not required). Email: ISSCCinfo@yesevents.com.

GENERAL INFORMATION:

- Program information is available online at www.isscc.org.
- Conference registration includes one “Digest of Technical Papers” in hard copy. The Digest will not be given out with your registration packet. You will receive a ticket that can be redeemed beginning on Sunday at 10:00 AM and during registration hours Monday through Wednesday. Additional copies are available for purchase if supplies permit.
- Files of the “Digest of Technical Papers”, the visuals for all papers, and the “Demonstration Sessions Guidebook” will be available for downloading during the Conference and for a limited time afterward. Instructions for downloading these materials will be provided at the Conference.
- A USB with all the download files is available for sale and will be sent after the Conference.
- It may be necessary to limit registration to the conference or any specific event due to limited seating capacity and hotel fire regulations.

REGISTRATION FORMS: All forms postmarked, emailed or FAXed after **January 8, 2019** will be considered late, and you will be charged the late registration fee. **Registration forms postmarked, emailed or FAXed after January 27, 2019 will not be processed**, and it will be necessary for you to register on site at the appropriate on-site rate. Emailed or FAXed registration is not possible if payment is by check. A registration form for each attendee included in a check must accompany all checks, personal or corporate. **Forms received without payment will not be processed.** ISSCC has retained YesEvents to process all conference registrations. “IEEE” will be shown on your credit card statement as the merchant of record. **Keep a copy of this form for your files, and bring a copy with you on site. You must provide your IEEE member number on the registration form in order to receive the IEEE discount. All forms received without an IEEE member number will be processed at the non-member rate. ATTENTION STUDENTS: YOU MUST SHOW YOUR STUDENT ID CARD AT REGISTRATION, WHETHER PICKING UP YOUR ADVANCE REGISTRATION MATERIALS OR REGISTERING ON SITE.**

CANCELLATIONS AND ADJUSTMENTS: Cancellations must be received **in writing at YesEvents on or before January 27, 2019**. Cancellations received on or before January 27, 2019 will receive a refund of all fees paid, less a processing fee of \$75. **No refunds will be given after January 27, 2019.** Anyone canceling after this date will be mailed all relevant conference materials. Adjustments to registration category or credit card used can also be made on or before January 27, 2019. Transfer of registration to someone else is allowed with **WRITTEN** permission from the original registrant. Additional fees may be due if the transfer is to a different registration category. Email ISSCCinfo@yesevents.com for registration changes.

TUTORIALS: Tutorials are given on Sunday. There is one session for each Tutorial and seating is limited. Each session is approximately 90 minutes long. Materials in color will be provided at the door when your ticket is presented. Tickets will be included in your registration packet, which should be picked up on Saturday afternoon or Sunday morning. **Refreshments are included in the registration fee.** A USB with visuals, audio and transcription of all the Tutorials can be purchased and will be sent in June. Tickets can be exchanged for a different Tutorial, if available.

ADVANCED SOLID-STATE CIRCUIT DESIGN FORUMS: Forums will be given on Sunday and Thursday beginning at 8:00 am. Each Forum lasts approximately eight hours. Forum seating is limited. If the Forum you would like is full, you will not be charged, or will be reimbursed after the Conference if a check was submitted. Materials in color will be provided at the door when your ticket is presented. The agendas for all Forums are provided in the Advance Program. Admission tickets will be included in your registration packet. **Breakfast, lunch and break refreshments are included in the registration fee.** Forums are NOT recorded for sale after the conference. Tickets can be exchanged for a different Forum, if available.

SHORT COURSE: The Short Course will be given on Thursday beginning at 8:00 am. The Short Course will last approximately eight hours. Seating is limited. If the Short Course is full, you will not be charged, or will be reimbursed after the Conference if a check was submitted. Materials in color will be provided at the door when your ticket is presented. The agenda for the Short Course is provided in the Advance Program. An admission ticket will be included in your registration packet. **Breakfast, lunch and break refreshments are included in the registration fee.** A USB with visuals, audio and transcription of the Short Course can be purchased and will be sent in June.

THURSDAY ALL-ACCESS PASS: This pass allows free movement for one person among the five educational events on Thursday so that the holder can pick the speakers of interest. The five events are Forums 3-6 and the Short Course. In addition, the holder will receive a copy of the educational handout from each of the five events.

UNIVERSITY EVENTS AT ISSCC 2019: Several universities are planning social events during the Conference. Look for the display board with the schedule and location of these events.

AUDIENCE RELEASE: The Conference sessions may use audio and video recording and, by registering for the conference, attendees give their implicit consent to their possible participation in the recordings.
